

Bexley Voice for Special Needs Children

Are you a parent or carer of a child or young person under 25 with a disability or additional/special need living in Bexley?

We are a voluntary group providing an opportunity for parent/carers to express their views and input into the planning and delivering of special needs services.

Meet with others experiencing similar challenges at our regular 'drop in' sessions. We are all parents or carers of children with additional needs living in Bexley.

Together we can make a difference!

Bexley Voice membership is FREE to parents, carers & professionals!
