Bexley Voice are a voluntary group of parent/carers of children and young people (age 0-25) with special/additional needs and disabilities (SEND) living in the London Borough of Bexley.

We provide an opportunity for parent/carers to express their views and input into the planning and delivering of SEND services. We signpost, support and empower families to obtain the best possible care and services.

Come along and meet with other parents and carers at our (term time only) parent/carer groups.

We invite various professional speakers at specific times during Tea & Talk, visit our website for updates.
