

Bexley Autism Strategy Workshop

Help us make Bexley better for autistic people.

Bexley Council are launching a new Autism Strategy for Bexley and have asked Bexley Mencap to help them write it.

Come and join Bexley Voice and Bexley Mencap in our workshop to share your thoughts and ideas to help them write the new strategy and make things better for autistic people in Bexley.

At the workshop we would like to talk to you about three questions:

- Where do you go for help or support and where are the gaps?
- What would you change in Bexley to make things better for autistic people?
- What are the top three priorities?

Date: Wednesday 1st November 2023

Time: 9:30am -11:30am

At: Chaucer Room, (Upstairs) Central Library Bexleyheath, DA6 7HL

Booking: Please click link below to book a space on this workshop:
