

School Visit Programme

Did you know we offer 3 types of visit?

1

VIRTUAL VISIT

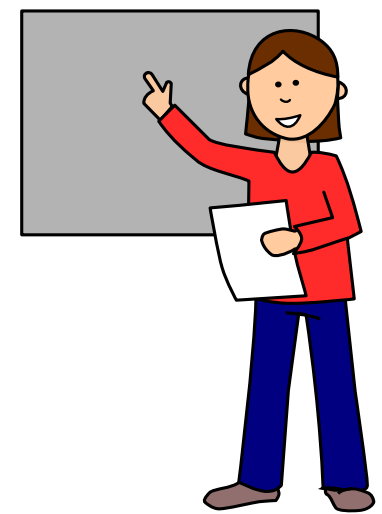

Bexley Voice can offer schools a virtual visit. Parents/carers of children with SEND get all the same information from the comfort of their home!

2

SCHOOL VISIT

A two hour face-to-face introduction to Bexley Voice. All that we are and all that we do. How we can help parent/carers with their SEND issues.

3

ATTEND A SCHOOL EVENT

Do you have open days, coffee mornings or other events for parents & carers? We can have an information table at your event for informal discussion.
